

48" Professional Side-by-Side

Born of 100% steel (and a good bit of bravado), model 648PRO is a true masterpiece of preservation. Its sculpted metal, dual refrigeration with three evaporators and advanced controls marry performance and design in a bold new way for home refrigeration. So it not only keeps foods magnificently fresh, it brings the whole kitchen tastefully up to date. Model 648PRO can be built-in or used in a free-standing application.

Model 648PRO shown in a free-standing application.
