UC-15IP

FEATURES
Accepts custom panels for an integrated look within cabinetry or stainless-steel accessory panels and handles to match other Sub-Zero, Wolf, and Cove products

Pump allows for more flexible install. Unit does not need to be immediately next to drain, a hose can be run and the pump assists the water removal in those situations

Produces up to 50 pounds of octagonal-shaped ice per day; stores 25 pounds at a time

Locks in cold air to ensure freshness with magnetic door seals

Set the two, four, and eight-hour delay to temporarily stop ice production, or pause ice production at the same time every day with auto-delay

Holds built-in ice scoop neatly in the door so it is there when you need it
