

IW-30CI

FEATURES

Accepts custom panels for an integrated look within cabinetry or stainless-steel accessory panels and handles to match other Sub-Zero, Wolf, and Cove products

Offers any-occasion-86-bottle capacity

Store reds and whites in separate temperature zones that keep wines at proper serving temperatures, within one degree of setpoint

Refrigerator and freezer drawers create two additional temperature zones

Maintains constant, moderate humidity with dual evaporators so corks do not dry out

Shields wine from aging with UV-resistant glass door

Select the wine you want without agitating others with textured roller-glide shelves that do not vibrate

Freezer drawer yields ice automatically and "max ice" for additional production

Locks in cold air to ensure freshness with magnetic door seals

Locate your favorite bottles easily with LED lighting

Organize your collection with our inventory tile system

Connects to your home security system
