VC36S

FEATURES
Breathe cleaner air and enjoy less greasy residue in your kitchen
Opt for the look of contemporary concealed ventilation
Adjust as needed with recessed controls and an ADA compliant remote control that provide a sleeker look, yet maintain ultimate blower control
Matches the same heavy-duty stainless-steel construction, hand-finished hemmed edges, and welded seams of all Sub-Zero, Wolf, and Cove products
Select from internal, in-line, or remote blower options (blower required)
Lights your workspace with two LED light bars with two brightness settings
Minimizes the backward flow of cold air with backdraft transition

ACCESSORIES
Make-Up Air Damper
Recirculating Filters
Remote Control
Inline Blowers
Internal Blowers
Remote Blowers

Accessories available through an authorized dealer. For local dealer information, visit subzero-wolf.com/locator.
